S9. Status of Other Funds

Analyze the status of other funds that may have negative fund balances at the end of the current fiscal year. If any other fund has a projected negative fund balance, prepare an interim report and multiyear projection for that fund. Explain plans for how and when the negative fund balance will be addressed.

S9A. Identification of Other Funds with Negative Ending Fund Balances

DATA ENTRY: Click the appropriate button in Item 1. If Yes, enter data in Item 2 and provide the reports referenced in Item 1.

No

If Yes, prepare and submit to the reviewing agency a report of revenues, expenditures, and changes in fund balance (e.g., an interim fund report) and a multiyear projection report for each fund.

2. If Yes, identify each fund, by name and number, that is projected to have a negative ending fund balance for the current fiscal year. Provide reasons for the negative balance(s) and explain the plan for how and when the problem(s) will be corrected.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review.

- A1. Do cash flow projections show that the county office will end the current fiscal year with a negative cash balance in the county school service fund? (Data from Criterion 7B-1, Cash Balance, are used to determine Yes or No)
- A2. Is the system of personnel position control independent from the payroll system?

SECTION IV - Detail of Adjustments to Base Expenditures (used in Section III, Line A.1)

Description of Adjustments	Total Expenditures	Expenditures Per ADA
Total adjustments to base expenditures	0.00	0.00

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
 (Functions 7200-7700, goals 0000 and 9000) 4,674,867.54
- 2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800. 0.00
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
 (Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) 48,773,307.15

C. Percentage of Plant Services Costs Attributable to General Administration

(Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) 9.58%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. 0.00
 Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 0.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates

the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	6,344,925.20
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	(257,838.69)
2. Carry-forward adjustment amount deferred from prior year(s), if any	0.00
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (7.83%) times Part III, Line B19); zero if negative	573,929.92
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (7.83%) times Part III, Line B19) or (the highest rate used to recover costs from any program (8.58%) times Part III, Line B19); zero if positive	0.00
D. Preliminary carry-forward adjustment (Line C1 or C2)	573,929.92
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	not applicable
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	not applicable
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	not applicable
LEA request for Option 1, Option 2, or Option 3	1
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	573,929.92

Approved indirect cost rate: 7.83%

Highest rate used in any program: 8.58%

Note: In one or more resources, the rate used is greater than the approved rate.

UNIFORM COMPLAINT PROCEDURES (UCP)

This document contains rules and instructions about the filing, investigation, and resolution of a Uniform Complaint Procedures (UCP) complaint regarding an alleged violation by the Santa Cruz County Office of Education of federal or state laws or regulations governing educational programs.

This document presents information about how we process UCP complaints concerning particular programs or activities that are subject to the UCP.

A UCP complaint is a written and signed statement alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation or bullying. A signature may be handwritten, typed (including in an email) or electronically generated. Some complaints may be filed anonymously. A UCP complaint filed on behalf of an individual student may only be filed by that student or that student's duly authorized representative.

A complainant is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint alleging violation of federal or state laws or regulations, including allegations of unlawful discrimination, harassment, intimidation or bullying in programs and activities funded directly by the state or receiving any financial assistance from the state.

A pupil fee includes a purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

A pupil fees complaint may be filed with the principal of a school or with our superintendent or their designee. A pupil fees complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

For complaints relating to Local Control and Accountability Plans (LCAP), the date of the alleged violation is the date when the reviewing authority approves the LCAP or annual update that we adopted. An LCAP complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

We advise complainants of the right to pursue civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may also be available to complainants.

Investigating UCP Complaints

The UCP complaint investigation is our administrative process for the purpose of gathering data regarding the complaint. We provide an opportunity for complainants and/or representatives to present evidence or information.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by the Santa Cruz County Office of Education to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

Board Adopted:

Board Policy 1312.3 Uniform Complaint Procedures (UCP) (Continued)

We ensure that complainants are protected from retaliation.

We investigate all allegations of unlawful discrimination, harassment, intimidation or bullying against any protected group. UCP Complaint Resolution

We will thoroughly investigate the UCP complaint and issue a written Investigation Report to the complainant within 60 calendar days from the date of the receipt of the complaint, unless the complainant agrees in writing to an extension of time.

This Investigation Report will contain the following elements:

- the findings of fact based on the evidence gathered;

City Attorney Ballot Title and Summary for the Workforce Housing Affordability Act

The full ballot measure is available at: <https://www.WorkforceHousingNow.net/background>

A PROPOSED AMENDMENT TO THE CITY OF SANTA CRUZ MUNICIPAL CODE ENACTING “THE CITY OF SANTA CRUZ WORKFORCE HOUSING AFFORDABILITY ACT OF 2025” SUPPORTED BY A NEW 20-YEAR PARCEL TAX AND REAL PROPERTY TRANSFER TAX

This measure would amend the City of Santa Cruz Municipal Code to add Chapter 3.34, “The City of Santa Cruz Workforce Housing Affordability Act of 2025” and would authorize two new special taxes, a parcel tax and a real property transfer tax, to fund it for twenty years before expiring. The use of revenue from both taxes would be restricted to the purposes specified in the measure, which include the following:

- 87% for affordable housing programs and projects;
- 10% for programs and facilities to address and prevent homelessness; and
- a maximum of 3% for community oversight, accountability and administrative expenses in implementing the measure.

The proposed parcel tax would be imposed annually upon all parcels of real property in the City in the amount of \$96 per parcel. Exemptions would be available to qualifying low-income households, low-income senior households, affordable housing projects, schools, religious institutions and other entities that are otherwise exempt from property taxes.

The proposed real property transfer tax would be levied on the value of property transferred or sold in excess of \$1.8 million, as follows: A 0.5% tax (\$5/\$1,000) on the price paid in excess of \$1.8 million but less than \$2.5 million; a 1% tax (\$10/\$1,000) on the price paid in excess of \$2.5 million but less than \$3.5 million; a 1.5% tax (\$15/\$1,000) on the price paid in excess of \$3.5 million but less than \$4.5 million; and a 2% tax (\$20/\$1,000) on the price paid in excess of \$4.5 million, subject to a cap of \$200,000. No tax would be imposed on the price paid for property transferred that is under \$1.8 million.

These thresholds would be increased annually by the change in CPI for the prior year. Thus, for example, if the CPI for Fiscal Year 2026-2027 is 3%, then commencing July 1, 2027, the exemption threshold for the tax would increase to \$1,854,000. The \$200,000 transfer tax cap would be adjusted annually by CPI up to 3%.

A variety of real property transactions would be exempt from the proposed tax including, but not limited to transfers: by inter-vivos gift or inheritance; from a public agency to a non-profit corporation; to or from exempt public entities; of marital property; of restricted affordable units; of certain partnership property; made as part of bankruptcy proceedings; and deeds in lieu of foreclosure.

Both taxes imposed by this measure would expire after the 2046-2047 fiscal year, and the City Council would be prohibited from placing a measure on the ballot to increase transfer tax rate or extend the tax while it is in effect.

As a citizen-led special tax measure, passage requires simple majority (50% +1) of voters who cast ballots to pass. A “yes” vote is a vote to approve the taxes; a “no” vote is a vote to reject the taxes.
