CAC Coffee Chats with OT, PT, APE, SLP, RSP 2. Universal Design Training for Teachers and Parents The Board discussed that this item would be best as an item to revisit and check-in about as an agenda item at future meetings rather than an activity the Board takes on. Devon suggests a subcommittee take this on. 3. Kids Connection: Weekly Student Check-In The purpose of these meetings would be to offer virtual socialization for students. Devon asked that Board members review the spreadsheet and enter in their information to the activities they are interested in supporting.	
	5.2	Peer Navigator Discussion <i>Is there interest in creating a parent to parent peer navigator program to help connect parents to each other</i> Conesus to add this to the 2020-2021 activities list.
