ACADEMIC EXCELLENCE						
Our school's educational program is of high quality.						
Our school is doing an excellent job teaching:						
Reading						
Writing						
Math						
Science						
The size of classes does not affect the quality of my child's education.						
ENGLISH LEARNERS						
I know about the state mandated CELDT exam.						
I know about the ELAC (English Learner Advisory Committee).						
I am aware that parents have the right to give their opinion regarding how funds are spent to help support English Learners.						
HOME-SCHOOL COMMUNICATION						
The communication between home and school is good.						
I am aware of all that my student needs to complete in order to receive a high school diploma.
