Specialized Equipment and Services through Low Incidence Funding:

In order to increase opportunities to serve students with low incidence disabilities in the least restrictive environment, funding is provided from the state within the AB602 Allocation.

The low incidence funding supports the provision of specialized services and supports as outlined in Individual Education Programs (IEPs) for each pupil with a low incidence disability as defined in California Education Code Section 56026.5: “hearing impairments, vision impairments, severe orthopedic impairments, or any combination thereof.”

Low Incidence funding is legally the responsibility of the SELPA, including accountability of how the funds are used and reassignment of specialized books, materials and equipment within the SELPA and sharing with other SELPAs. To meet this responsibility, a Low Incidence Committee has been established, which is comprised of educators knowledgeable about low incidence disabilities. The North Santa Cruz County SELPA Low Incidence Committee has established procedures and guidelines for purchases through the Low Incidence fund.

Low Incidence Funds Funds for low incidence equipment, materials, and supplies, as well as for low incidence services are restricted for support of students in the low incidence disability categories: hearing impairment, deaf, visual impairment, severe orthopedic impairment, and deaf-blind. The funds are administered through the North Santa Cruz County SELPA as specified in the procedural handbook and include receipt of funds, distribution of funds, maintenance of an inventory, development of procedures for exchange of equipment, and reporting to the State.
