Consultant High, Ed.D. presented the 2020 Preliminary Classification/Reclassification report. Questions and discussion followed.

The following steps were involved in the study:

- a. current position title and number of employees requesting reclassification;
- b. current salary range with external ranking among comparable agencies;
- c. discussion of findings; and
- d. recommendations

The analysis of each position was based on the basis of the position description, job requirements, reclassification questionnaire and oral interviews, not on the performance of the employee's currently holding the position. The study was focused entirely on the essential duties of the classification, reporting relationships, education/experience requirements, and comparability data in making recommendations.

No reclassification requests were received. The following fifteen classifications under the Program and Financial Support Family classifications that were studied are: Project Coordinator, MEDI-CAL; Senior Community Organizer; Community Organizer; Child Care Center Accreditation Facilitator; Child Care Facilities Analyst; Project Coordinator; Project Coordinator, C.D.P.; Child Care Resource/Referral Specialist; Project Specialist; Project Specialist, C.D.P.; Resource/Referral Technician, C.D.P., Level 1; Student Data Specialist II, A.E.; Student Data Specialist II, S.E.; Student Data Specialist; Resource & Referral Technician, C.D.P., Level 2.
