ADMISSION

The Santa Cruz County Board of Education (Board) encourages the enrollment and appropriate placement of all school-aged children in school.

All appropriate staff shall receive training on district admission policies and procedures, including information regarding the types of documentation that can and cannot be requested.

The district's enrollment application shall include information about the health care options and enrollment assistance available to families within the district. The district shall not discriminate against any child for not having health care coverage and shall not use any information relating to a child's health care coverage or his/her interest in learning about health care coverage in any manner that would harm the child or his/her family. (Education Code 49452.9)

Verification of Admission Eligibility

Before enrolling any child in a district school, the Superintendent or designee shall verify the child's age, residency, immunization, and other applicable eligibility criteria specified in law, the accompanying administrative regulation, or other applicable Board policy or administrative regulation.

(cf. 5111.1 - District Residency)
(cf. 5125 - Student Records)
(cf. 5141.3 - Health Examinations)
(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)

The district shall not inquire into or request documentation of a student's social security number or the last four digits of the social security number or the citizenship or immigration status of the student or his/her family members. (Education Code 234.7, 49076.7)

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 5145.13 - Response to Immigration Enforcement)
(cf. 5145.3 - Nondiscrimination/Harassment)

However, such information may be collected when required by state or federal law or to comply with requirements for special state or federal programs. In any such situation, the information shall be collected separately from the school enrollment process and the Superintendent or designee shall explain the limited purpose for which the information is collected. Enrollment in a district school shall not be denied on the basis of any such information of the student or his/her parents/guardians obtained by the district, or the student's or parent/guardian's refusal to provide such information to the district.
