This year's theme focuses on the value of strong parent-school partnerships that ensure positive outcomes for students. Learning recovery and advancement results when the adults in a student's life, parents and educators, work together collaboratively. Proposals will be accepted from individuals or panels for 90-minute presentations that relate to the theme of the conference. Proposals deadline is October 22, 2021 to be considered. Send Jessica an email if interested, and she will send you a proposal link.
