Important things to remember:

1. If you are enrolled with Anthem Blue Cross HMO and are part of Dignity Health, you must choose a primary care physician or Anthem will assign you one. If you do not like who they assign you, you may change the provider by calling (800)825-5541. You must go to your primary care physician for all medical problems for referral to a specialist, except for Women's exams, Chiropractic, Acupuncture, and Mental Health.
2. Call your doctor, dentist, eye doctor, chiropractor, acupuncturist or mental health provider before going to be sure that they are a participating provider of your carrier.
3. If you want the payroll deduction for your medical plan choice to be deducted before taxes, you need to have 125 Plan paperwork on file. American Fidelity will be contacting you concerning this paperwork. You can contact American Fidelity directly at 1-800-325-0654.
4. If you lose your card, see www.anthem.com/ca/sisc or Kaiser www.kp.org/santacruz.
