

SCHOOL BOARD ACADEMY FOR STUDENTS GRADES 7TH TO 11TH

WANT TO MAKE AN IMPACT ON YOUR COMMUNITY?

Whether you are a student school board trustee, interested in becoming one, or just interested in how school boards work, this training is for you. Learn how to use your voice when addressing the issues we see. Through the Student School Board Member Academy, you'll gain knowledge to advocate and improve our schools and our community.

WHAT IS THE SCHOOL BOARD ACADEMY FOR STUDENTS?

The training consists of four different sessions to learn about the role and responsibilities of a school board. The academy covers topics including the Brown Act, Robert's Rule of Order/Procedure, public speaking, ethics, how the school system works, and how school budgets work. Our goal is to provide a foundation to support those who are interested in being student school board trustees
