

**CRITERIA FOR CONSIDERATION OF INTERDISTRICT ATTENDANCE APPEALS**

- \_\_\_\_\_ Verification that all statutory and regulatory requirements have been satisfied;
  - \_\_\_\_\_ The needs of the concerned districts and their communities as a whole in light of space availability, and long and short term fiscal impact;
  - \_\_\_\_\_ The basis for the local board's actions which gave rise to the appeal and determine whether there are unusual conditions which justify the rejection of the request;
  - \_\_\_\_\_ The district of residence does not offer the particular educational program required by the pupil and the district of desired attendance offers such a program;
  - \_\_\_\_\_ Severe hardship, in terms of time and/or costs to the person having custody or to the pupil for before-or-after school supervision of the pupil, will result if the pupil is required to attend the district of residence;
  - \_\_\_\_\_ Child care considerations;
  - \_\_\_\_\_ A substantial danger to the pupil's health or safety will be removed or greatly mitigated by granting the appeal;
  - \_\_\_\_\_ Such other condition exists which will result in substantial and manifest improvement in educational services for the pupil if they attend the district as requested;
  - \_\_\_\_\_ Whether good cause otherwise exists; and
  - \_\_\_\_\_ Information deemed useful to the Board as disclosed by the County Superintendent's Investigation.
