7.1 2023 Classification/Reclassification Study Update—Information

As a part of the on-going classification study, the classifications that will be studied under the Instructional Support Family are: Instructional Aide, Alternative Education; Instructional Aide, Autism Support (Special Education); Instructional Aide, Special Education; Program Assistant, Outdoor Education; and Program Coordinator, Outdoor Education. In addition, on November 1, 2022, all classified employees were notified of their rights to file a request for reclassification. One reclassification request was received by the deadline date of February 1, 2023. Julie High, Ed.D. was hired as a consultant to conduct the 2023 classification/reclassification process.

Employee and Supervisor interviews for the Classification and the Reclassification Study process have been completed. A preliminary report will be presented to the Commissioners at the April 18, 2023 meeting. Recommendations will then be shared with employees and their supervisors.

8.0 NEW BUSINESS

8.1 New Classification—First Reading—Coordinator, Parent Engagement—Action

Due to wanting to create more communication and opportunities to involve families, students, and the community with our school organizations and personnel, there is a need for a Classified Management position to provide support to ensure all stakeholders have the information and skills needed to foster a positive and community-lead environment. Because this is a management level position, the recommendation for salary allocation comes from the Santa Cruz County Superintendent of Schools and Cabinet, rather than the bargaining unit's Point Factoring Committee. The recommended title will be Coordinator, Parent Engagement. This constitutes a first reading.

Motion: To approve the first reading of the newly proposed job description for Coordinator, Parent Engagement (Rapoza/Miller).

Ayes: Unanimous

Noes: None

Abstain: None

Absent: None

8.2 New Classification—First Reading—Educator Recruitment, Retention and Effectiveness Organizer—Action

Due to the county-wide teacher shortage and as an effort in establishing the Educator Pipeline, there is a need to create a new classified position to help with the recruitment and retention of educators interested in becoming teachers. For salary allocation, the new classification will be moved forward to the bargaining unit's Point Factoring Committee. The recommended title will be Educator Recruitment, Retention and Effectiveness Organizer. This constitutes a first reading.

Motion: To approve the first reading of the newly proposed job description for Educator Recruitment, Retention and Effectiveness Organizer (Miller/Rapoza).
