

DATA GOVERNANCE WATCH PARTY

STRENGTHEN YOUR DISTRICT'S DATA PRACTICES

REGISTER HERE

sccoe.link/wp

The Data Governance Academy supports COEs assisting LEAs in Differentiated Assistance [DA] through the CALPADS pathway, as well as LEAs themselves in CALPADS DA. We encourage broad participation. Session 1 focuses on helping view and act on data from an enterprise-wide perspective, not within any single system. The Academy introduces simplified Data Governance concepts and strategies for teams to strengthen local data practices statewide. While developed as a preventative support for CALPADS-related DA, participation does not require DA eligibility.

WHEN:

THURSDAY, OCT 16TH
8AM-NOON

WHERE:
